

**SCANNED**NEWSLETTER - DECEMBER 1987SURF PINES HOMEOWNERS & WATER ASSOCIATIONSSECURITY

The security duties have been assigned to Mr. Milt Hoff, telephone #738-5240. The gate house where Mr. Hoff lives will be signed "Surf Pines Security Office" (Thanks to Mr. Sam Fort).

Should any members want extra security for their residence they should contact Mr. Hoff at the security office or call 738-5240.

GUARDRAILS

We have been advised the county will be installing guardrails on Sunset Lake Road just West of the highway 101 junction.

SPEEDING

Numerous residents have been observed exceeding the speed limit on Manion Drive. There are many children along Manion Drive who deserve more consideration than shown by these drivers. PLEASE SLOW DOWN!

SIGN & MAILBOX DAMAGE

During 1987 many of the carved road signs have been stolen and mailboxes damaged or removed. Please report any suspicious action to Mr. Hoff. Get the license number of the vehicle(s) if possible.

WATER SYSTEM

Your Board wishes to thank all members who conserved water during the dry spell this fall. Only a few residents were observed using excess water during the extreme dry spell.

Additional water main construction is scheduled for Spring 1988.

GENERAL

Your Board wishes all members a very good 1988!
